4.) THANK YOU FOR YOUR MEMBERSHIP IN 2025!

Founded in 1989, CDLA is widely recognized as one of the oldest (if not the oldest) impaired driving defense bar association and the premier professional organization for DUI defense attorneys in the United States. We have an exciting year of programs and events scheduled for 2026 including the launch of our new premier Masterclass programs in January and February; a trip to SCOTUS in early November; and of course, our two-day annual conference.

If you have any CDLA membership issue, just call, text, or email me and I will assist you with the resolution of the problem.
